From Evidence to Practice: Real-World Evidence of Amyloid-Targeting Therapies

2026 AAIC Update and Taiwan Local Data

Nov 10 (Tue.), 2026 | 18:00–20:30
台南晶英酒店 2F 府城會

An interactive scientific discussion to dissect amyloid-targeting therapy data across RCTs and RWE, including data from Taiwan and 2026 AAIC, between Asian and Western populations, and across different amyloid-targeting therapies.

Invited HCPs Only

VV-MED-185979

Agenda

NOV 10 (Tue.), 2026 | 台南晶英酒店 2F 府城會
