

Early registration deadline: 4 August 2015

IPA INTERNATIONAL PSYCHOGERIATRIC ASSOCIATION International Congress

13-16 October 2015

Balancing Cure with Care: Advances in Late Life Mental Health

Photo above courtesy of Griffith University, Australia

Only at the International Psychogeriatric Association (IPA) meetings will you attend and participate in sessions on the full spectrum of mental health issues for the elderly patient. This year's Congress theme – *Balancing Cure with Care: Advances in Late Life Mental Health* – illustrates our undeniable obligation as mental health professionals to balance the race for the cure with the care for our patients and their families.

PRE-CONGRESS PROGRAMS – 13 OCTOBER 2015

Expand and enhance your IPA International Congress experience by joining one of the three available Pre-Congress Programs. Special registration fees are available if you attend both the Congress and a Pre-Congress Program!

4th IPA Long-Term Care Colloquium – Cutting Edge Technologies in Care of Older People

2nd International Conference on Capacity – The Science of Decision Making

Imaging and Biomarkers Workshop (supported by an educational grant from GE Healthcare)

More information is available at www.ipa-events.org

Who should attend?

Professionals from the entire healthcare team – psychiatrists, neurologists, geriatricians, primary care physicians, nurses, psychologists, social workers, occupational therapists and more.

An application has been made to the EACCME® for CME accreditation of this event.

See the back of this flyer for program highlights.

PROGRAM HIGHLIGHTS

The 2015 IPA International Congress promises to provide you with excellent education, best practices and new perspectives. Plan to attend and benefit from connecting within the unique professional community that is IPA!

OTHER INFORMATION

Site Visits at Day Care and Long Term Care Facilities

Join us on Friday, 16 October for an afternoon of visiting care facilities and learning how care is provided in Germany. Visit the congress website for more information.

IPA – Membership Has its Benefits

For the very best value and to continue to benefit from your participation well after the congress is over, consider joining IPA. You may become a member of IPA, attend the congress, receive full membership benefits for one year for less than it costs to attend the meeting as a nonmember. Join today!

How to Register

Visit the Congress website and register online under the 'Registration' tab. For groups of 10 or more, special group registration fees are available. Early registration fees end on 4 August 2015.
